

## Peer Review Sample Feedback

1. Does the author's intro move from general to specific? If not, does the organization work? How can the author make the organization better?

**Poor Feedback:** No.

**Good feedback:** The intro jumps around too much. Try to move from general to specific. On your paper I numbered the sentences to suggest a better order.

5. Make a very SHORT outline of your partner's paper, including each of the main points.

### Example:

Intro

Body 1: Description of the ad.

Body 2: Need to escape.

Body 3: Need to aggress.

Conclusion

7. Write three things that you think the author did well.

a. **Poor:** Your essay was really good.

**Good:** Your intro was excellent because it got me interested in what you are writing about and it was very clear.

8. Write three things that the author needs to improve.

a. **Poor:** You need a better first body paragraph.

**Good:** Your first body paragraph needs more explanation and a better example. You also need to make the topic sentence more specific.
